

## ARTICLE PROCESSING CHARGES

Submission of articles to **AIZEON publishers** is free. However, a low article processing charge is charged for each accepted article to cover production and administrative costs.

Solicited articles may be published at a reduced charge. Our open access article processing charges are highly-competitive and are there only to make the journal publishing self-sustainable and progressive.

Authors should pay a single charge for free worldwide online access to their article(s) at one of the following in **The English Literature Journal**.

Type of Article	Publication Fee within India	Publication Fee outside India
Research Paper	₹ 2500	\$100
Review Article	₹ 2000	\$100
Short Communication	₹ 2000	\$100

The payment can be made either by Credit Card, Debit Card or Internet Banking transfer to our journal account through a merchant payment gateway. The details about how to make the payment will be sent to the corresponding author after the manuscript has been peer reviewed and accepted for publication.

Discounts or partial waiver of Article Processing Charges may be granted. The amount of discount will depend on factors such as country of origin, position of the author in the institute etc.
